### **Show & Sale Catalog**

**October 8, 2005**

**Show Starts At 10:00 AM**

**Cattle Sales Will Be By Private Treaty**

**British White Cattle Association of America, LTD  
PO Box 281 - Bells, TX 75414  
903-965-7718 or 800-826-4038**

### The British White Cattle Association of America Grading Up Program

The British White Cattle Association of America, in an endeavor to provide individual breeders with a means of better serving their customers within certain geographical areas, and as an economical method for new breeders to build a registered herd offers a grading up program.

#### Half-Blood

An animal registered with the BWCAA at any level higher than Three-Quarter Blood when crossed with a commercial or other non BWCAA registered animal will produce a half-blood. Also percentages are always rounded down so that a 3/4 bred to a 1/2 will produce 1/2 blood progeny. Exception, a half blood bull must have a registered pedigree on both his sire's and dam's side with one being a British White

#### Three-Quarter Blood

An animal registered with the BWCAA at any level higher than Three Quarter Blood when crossed with a BWCAA registered Half Blood will produce a Three Quarter Blood.

#### Purebred

To be designated as a BWCAA registered purebred the animal must be seven-eighths blood (7/8) or higher. An animal registered with the BWCAA at any level higher than Three Quarter Blood when bred to a Three Quarter Blood or another animal that is also registered with the BWCAA at a higher level than Three Quarter Blood will produce Purebred Progeny. Purebred animals will be further graded or classified based on their number of complete generations of purebred ancestry recorded in the BWCAA herd book. An animal with five or more complete generations of purebred ancestry will be recognized as American Fullblood.

#### Recommendations for an American Fullblood

Preferred Animal will be Standard Marked (White body with black or red points, including black ears, eyes, nose, feet, legs and teats) and have no scurs (defined as a horn like growth fastened only to the skin and not attached to the skull, an animal that has had scurs removed is considered to have been horned and is not eligible for registration).

It is highly recommended that all American Fullblood animals and their parents have a DNA profile on record with the BWCAA office. **DNA is required** on all A.I. sires, Embryo sires, Donor dams and progeny resulting from embryo transfer (E.T.). Parentage confirmation by DNA will enhance the value of any registered animal. You should remember if a DNA test is not done prior to an animal's death and no material is available for DNA testing after death then that animal's progeny can never be parentage confirmed by DNA testing and may be considered less valuable.

Random DNA testing and/or inspection of any or all of any member's cattle may be made at the discretion of the Association for purposes of determining parentage and qualifications of the animal/animals, (i.e. Standard Markings, etc.) Testing will be done at the convenience of the member and the overall cost will be absorbed by the Association. Continual lack of cooperation by the breeder in DNA testing and/or inspection will result in removal of the member from the Association.

Forms and instructions for DNA Testing are available from the BWCAA office.

#### Registration Fees.

Half Bloods and Steers, All Ages	\$ 8.00
3/4 blood and above	
0-250 days of age	\$ 20.00
251-365 days of age	\$ 25.00
366-450 days of age	\$ 40.00
451+ days of age	\$100.00

A .I. & Embryo registrations are same as other fees.

<b>Animal Name Change</b>	<b>\$50.00</b>
<b>DNA Parentage Test</b>	<b>\$35.00</b>
<b>Certificate Correction</b>	<b>\$10.00</b>
<b>Duplicate Certificate</b>	<b>\$10.00</b>
<b>Extended Pedigree, 1 to 5</b>	<b>\$20.00 ea, 6 to 10 \$15.00 ea, over 10 \$10.00 ea.</b>

#### Transfer Fees

Within 45 days of sale	\$10.00
Over 45 days after sale	\$20.00

#### Membership dues

Regular member - \$65.00 to join, thereafter \$35.00 per year plus herd fees.  
Junior member - \$5.00 per year plus herd fees.  
Associate member - \$100.00 per year

#### Herd Fees

Annual Fee is \$2.00 per registered female owned that is 12 months of age as of January 1st. Herd Fee along with renewal dues are billed once a year, due and payable on January 1st of each year and lapses if not paid by 12:01 AM March 1st. If allowed to lapse, the cost to be reinstated to active status will be \$65.00 plus current year herd fees.
